

All Purpose Wipes 80XL Product
Technical Data Sheet

Description

Bartoline All Purpose Wipes are perfect for removing even the most stubborn dirt stains from your hands, or clean your tools with them at the end of a hard day's work. Each of the cleaning wipes are packed with a special solution to rapidly remove dirt, paint, oil, grease, etc., easily and safely without any need to scrub. Kind to hands with added Aloe Vera.

There's no need for water and they are ideal for all trades, allotment and garden use, including decorating and DIY. The handy tub dispenser means no fuss - just quick and easy to use. After use, re-seal the tub to ensure the wipes last a long time.

Directions

Remove lid of container and pull off foil seal. Thread wipe from centre of roll through the opening of the lid and replace lid. Remove wipes as required. Use wipe immediately for best results. Wipe hands or area to be cleaned. Close lid cap immediately to prevent wipes drying out. Repeat as necessary. Job Done.

Health & Safety

See MSDS for full information.
