

**Morrisons Superstik Solvent-Free Grab Adhesive 310ml**  
**Technical Data Sheet**

**Description**

Bartoline Solvent-Free Superstik Grab Adhesive is a ready to use solvent-free adhesive, based on acrylic dispersions, which adheres to most common building surfaces and replaces nails and screws in many applications.

**Applications**

Bartoline Solvent-Free Grab Adhesive is ideal for fixing skirting boards, dado rails, work tops, architraves, decorative wall panels, plasterboard, carpet grippers, covings, wood and general construction work where solvent-based versions are not appropriate.

**Directions**

Surfaces must be sound, clean, dry and free dust/grease.  
Cut tip of the cartridge taking care not to damage the thread and apply the nozzle and cut cleanly at an angle of 45°. Using a cartridge gun apply in vertical stripes with a 10-20cm distance between. Do not apply adhesive in dots. Press the item firmly in place and bed down by applying even pressure all over. Temporary fixing or clamping may be necessary on unsupported heavy items. Allow 24 hours setting time before removing temporary fixings or support. Remove excess adhesive with a damp cloth before it dries. Clean tools with water. Store any unused adhesive in a cool, frost free place.

**Health & Safety**

Refer to MSDS for full information.

**Technical Data**

<b>Base</b>	Acrylic dispersion
<b>Colour</b>	White
<b>Density</b>	1.61g/ml
<b>Open time</b>	5-10 mins @23°C/55%RH
<b>Curing time</b>	Approx. 3 days@23°C/55%RH
<b>Application Temp. Resistance</b>	+5°C to +40°C
<b>Service Temp. Resistance</b>	-20°C to +75°C
<b>Flow</b>	<2mm

**Storage**

Store in original unopened containers between 15°C and 20°C.
